- All riders, including instructors and volunteers, must wear ASTM-SEI protective headgear with affixed chinstrap that is approved for horseback riding at all times while mounted. No exceptions.
- Minor lameness of any horse will be tolerated, however, at the discretion of the judge, any horse whose lameness presents a danger to the rider, or undue stress on the animal, may be eliminated from further classes.
- Leaders and side aides are reminded that their function is to provide safety. Unneeded or excessive interference will result in substantial penalties for the rider. No family member may lead or sidewalk a student or relative without first obtaining permission from the Show Manager. If the horse you are working with appears to be upset, the leader may speak to it and try to calm it. If you feel the horse may disrupt the class, ask the rider to come in off the rail to settle down or if the horse is extremely upset you may ask the judge to be "excused." If there are 2 or more sidewalkers, the volunteer with the lead line has the responsibility to remain with the horse in the event of a problem. The sidewalker(s) assist the rider. Remember, the integrity of our competition depends on us not influencing the rider or the horse!
